REVIEW OF BARBARA BATES PHYSICAL EXAMINATION 11TH EDITION

- This is the best gay paranormal erotica I have read and I have read quite a few. The sex is steamy because this writer bares all with her words. Add to that a touch of magic and the sex is also sensual and alluring. As in "A bit of Rough", Ms Baumbach once again proved her talents. This story is not merely sizzling sex. Her characters, both main and secondary, are well developed and her world building skills is a pleasant surprise in this latest effort. I will read any m/m stories from this writer. Surfing her website I am glad she has quite a few planned in the horizon. Looking forward to her summer release in Loose-id website.

- Wonderful book, love living in the smokies and reading about the tales from the past. Would recommend to anyone interested in most beautiful place in the country
