REVIEW OF THE ESSENTIAL ENOCHIAN GRIMOIRE AN INTRODUCTION TO ANGEL MAGICK FROM DR JOHN DEE TO THE GOLDEN DAWN

- This book was insightful but only touches the surface of various spiritual gifts. It explains what some of the God given gifts are and touches on a factual and historical means of understanding their purpose, but doesn't really explain what one is to do if they should discover that have been blessed with a gift and what their spiritual purpose might be here on earth. That is the missing link.
- Thanks for a prompt send out. I loved this book years ago and wanted to read it again. I had a hard time finding it. I was pleased with the way the book looked and totally enjoyed it AGAIN.
