REVIEW OF REVUE TECHNIQUE PEUGEOT 107

- I was very disappointed by this book. In the gift suggestion section many of the gifts suggested giving things that you needed the recipes from one of her other books. It was disappointing not to have access to all of the information referenced in the book. I also think much of the information was fairly common knowledge. I would not recommend this book.
- This book is AMAZING!!! It is so good to read when you are going through a spiritual battle, it helps to open up your mind to whats really going on! Highly recommend!!!
