*9 Solos for Trumpet & Keyboard* Hal Leonard Corporation

Are you a church musician or a pastor working with a good amateur trumpeter--perhaps a high school student--or with a professional on occasion? If so, then this book is for you. Lorna Tedesco has done a brilliant job of bringing together two

descants for 101 familiar and beloved hymn tunes--from seasonal songs and carols to traditional favorites for the regular Sundays of the church year. For each hymn tune there are two descants--one that could be played by an amateur, and a second more suitable for the seasoned professional. The descants may be used separately--or they may be played together for a stunning effect. The hymn melody is also transposed into the key appropriate for the B-flat instrument, so that it can be played on alternate verses without the descant. For each selection there is a full score for the keyboard with the descants printed above, together with separate scores for the trumpeters (also appropriate for other B-flat instruments). Several of the hymns are published in two keys to make them equally accessible to a variety of denominations. These descants will be a welcome and beautiful enhancement to your congregational singing.

*101 Christmas Songs* Hal Leonard Corporation

(Sax Instruction). From Chuck Rio and King Curtis to David Sanborn and Kenny G, take an inside look at the genesis of pop saxophone. This book/audio pack provides solo transcriptions in standard notation, lessons on how to play them, bios, equipment, photos, history, and much more. The audio features full-band demos of every sax solo in the book. Songs include: After the Love Has Gone \* Deacon Blues \* Just the Two of Us \* Just the Way You Are \* Mercy, Mercy Me \* Money \* Respect \* Spooky \* Take Five \* Tequila \* Yakety Sax \* and more.

*Easy Pop Melodies for Trumpet* Hal Leonard Corporation

(Instrumental Folio). Instrumentalists will love this jam-packed collection of 101

holiday favorites! Songs include: All I Want for Christmas Is You \* Believe \* Christmas Time Is Here \* Dance of the Sugar Plum Fairy \* Feliz Navidad \* Grandma Got Run over by a Reindeer \* Have Yourself a Merry Little Christmas \* I Saw Three Ships \* Jingle Bells \* Let It Snow! Let It Snow! Let It Snow! \* Merry Christmas, Darling \* O Come, All Ye Faithful \* Rockin' Around the Christmas Tree \* Silent Night \* The Twelve Days of Christmas \* We Wish You a Merry Christmas \* and more.

## REVIEW OF 101 JAZZ SONGS FOR TRUMPET

• Heyer is best known for her several dozen light and humorous romances set in Regency England, but she also was capable of far deeper and more complex historical writing. Before Heyer, the best known and most highly regarded fictional account of the Battle of Waterloo was in Thackeray's classic *Vanity Fair*. (Victor Hugo wrote about the battle, too, in *Les Misérables*, but he was writing from the French viewpoint.) More recently, Bernard Cornwell, justifiably famous for his rousing and highly accurate battle scenes, did a marvelous grunt's-eye view of the battle in *Sharpe's Waterloo*. So how does this novel fare, compared to those? Heyer's approach focuses much more on the tension-filled events of the previous three or four months leading up to the climax at Quatre Bras and Waterloo. Brussels was filled with high-ranking English civilians and officers' families who were taking the opportunity of Napoleon's exile to Elba to travel to the Continent for the first time in a generation. The Peace Conference was under way down in Vienna and the victors were celebrating. When the Emperor re-entered France and proclaimed his return to the throne, gathering his old subordinates around him and being cheered by most of the French people, the Allies were caught unprepared (the best and most experienced English regiments had been sent across the Atlantic to fight the Americans). But the frenzy of balls and society picnics in Brussels foreshadowed a similar mood in Paris in 1940, as the Germans were tooling up to invade. It's that atmosphere, alternating between complacent boredom and near panic,

that Heyer captures so well. There are two stories here, actually. The first, we observe from afar, in a sense: The arrival of the Duke of Wellington, the filtering into town of his subordinate senior officers, and the gradual acceleration of the preparations to confront Napoleon. Nearly everyone in this plot-line is a real historical figure and Heyer does an excellent job of describing their personalities and styles and the often touchy ways they interact -- especially the English, Dutch, and Prussians. The other story, which we see close-up, is the awkward and often painful off-again-on-again romance between Col. Charles Audley, the eldest and most experienced of Wellington's aides -- the Duke's "family" -- and the young widow, Lady Barbara Childe, who was raised badly by her father (her mother having died when she was small) and has become an unbridled and ungovernable "wild child." Charles falls irretrievably in love with the beautiful and lethally sexy Lady Barbara almost at first sight -- a notion which has always seemed improbable to me, but I suppose it happens -- and proposes to her within hours of meeting her. And Barbara accepts, for reasons she doesn't really understand herself, because she's certainly not going to stop flirting or deliberately shocking people or behaving with complete lack of propriety. Charles says he doesn't want a tame, dutiful, obedient wife, but Barbara, who seems to live for scandal, is more than even he can handle and things, naturally, go awry. The story of their relationship is complex and multilayered and Heyer's examination of their competing personalities is first-rate -- and far more interesting than in most of her lighter romances. The supporting cast here, in the form of Col. Audley's brother, the Earl of Worth, and his sister-in-law, Lady

Judith Worth, née Taverner, and Judith's brother, Sir Peregrine Taverner and his young wife (all of whom first appeared in Regency Buck), are also very well done. In fact, there is a great deal of very good writing everywhere in this book. But most notable is Chapter 17, which describes the Duchess of Richmond's famous ball on the night before Napoleon's approach, with its descriptions of the Highlander infantrymen, accompanied by their pipers, dancing reels for the attendees (most of them would be dead the next day), the news being brought in by mud-stained young gallopers, the more junior officers immediately hurrying off to rejoin their regiments, the Duke of Wellington determinedly showing a cheerful countenance and then asking for a map, and finally the regiments called from their billets and sorting themselves out in the center of town, forming up, and marching off in the dawn to leave Brussels empty and silent. All this provides some of the most moving and affecting descriptive writing I have ever read. Equally mesmerizing is the picture she paints of high-born ladies of fashion forgetting their complexions and their intramural jealousies and intrigues and getting down in the dirt

and the blood to care for the wounded who manage to stagger back to Brussels, "toiling as their scullery-maids had never done." Beautiful stuff. In fact, the only section of the book that isn't quite up to scratch is the detailed order of battle in which the author indulges between Quatre Bras and Waterloo itself; it's a result, I'm sure, of her insistence on meticulous research, but it could have been considerably shortened and summarized with no loss whatever to the story. My recommendation is to go to Cornwell's Sharpe for the strategy and tactics, the blood and guts, of one of the most important military engagements in Western history -- but read this marvelous book for the psychology and the personalities on the Allied side of the battle and of the period leading up to it.

- I feel that this book deals beautifully with the issues it tries to attend to. Quandt manages to bring a fresh perspective to the middle eastern situation, which is a good change from most other books of this source. This is by far one of the best books on the middle eastern peace talks I have ever read and I would strongly recommend it to anyone who wants to learn more about it.
