REVIEW OF CELL PHONES

RESEARCH PAPER

- This book was so good! I mean who would have ever thought that Adrian would turn out the way she did, I mean I was truly shocked. When you can read a novel and not know what to expect you got yourself a good read! Keep up the good work Camille and I look forward to reading Cubicles.
- This book is a page turner. It will have you guessing about the ending. I wonder who did Ms. Spencer get the male outlook from, but whoever it is is real. The ending is a shocker, but so is the middle and the beginning. It will keep you laughing.
