REVIEW OF THE SELECTED PAPERS OF MARGARET SANGER VOLUME 1 THE WOMAN REBEL 1900 1928

- the raging quiet isn't sherryl jordan's best (winter of fire is by far my favorite) but I am definitely a fan. It's beautifully written and very entertaining like her other books, and the characters are totally awesome. if you haven't read any of sherryl jordan's books this would be a good place to start (reading winter of fire first spoiled me totally). I luv how it wasn't set in a specific time or place- that was cool. sherryl if you're reading this you're the best writer ever!!!!!!

- Most people have not heard of this book, when I tell them it is my favorite. You can probably tell the what the basic plot is by all the above summaries, so I'd just like to say that everytime I read The Raging Quiet, it gets better. It always cheers me up and puts things in perspective. I love the characters and just about everything else too. Marnie, Raven, the priest, and the villagers all have the ring of truth to them. The story has many different topics: fear, love, challenge, change, witchcraft trials, deafness, and village life. I would highly recommend it to anyone.
