new writers and categories you could not have actually considered previously.

**REVIEW OF
PHARMACY
PRACTICE FOR
TECHNICIANS
4TH EDITION
CHAPTER
REVIEW
ANSWERS**

- Although I expected the book to lean more

towards bashing Bush and the Republicans, Martin Merzer is very fair in his accounts of the problems that allowed this situation to happen. Very well-written and a good read.

- I found & read this book first. Later I found the first in the series, Train to Estaline. They are both very good. I enjoyed reading about Lucy & her family & all their quirks. Enjoy.
