REVIEW OF GIOCONDA

- The book is about Matilda who is a kind, clever, little girl who has a benevolent teacher called Miss Jenny Honey. It details her life with horrible, cruel parents and the head teacher Miss Agatha Trunchbull. Matilda has some incredibly hilarious and entertaining parts that I was laughing at even when I was asleep! One example is when Miss Trunchbull said, "I've got eight coconuts, eight monkey nuts and eight nutty idiots like you", as part of a weekly test in Maths. Sometimes kids get back at the head by tying knots in her enormous shorts and putting itching powder in them, so that she jigs and scratches her privates during prayer time!!!! My favourite chapter is the Platinum-Blond

Man where Matilda's scruffy, black-haired dad accidentally dyes his hair blond! The ending reminds me of the ending of Roald Dahl's Cinderella where she gets married to a honey man. Both stories end with the unlucky character changing family and having a happy ending. I highly recommend this book for 8-9 year olds who enjoy fun and hilarious adventures and give it 5 stars. by Arantxa Flores Gonzaga, age 8

- I'm 9 years old and you would think it would be for younger children. Actually this book I would want to read over and over again. Ronald Daul is one of my favorite author's. Matilda has always been and still is my favorite Ronald Daul book. In this book Matilda is a fantastic girl. I've read many books in my life and and this is one of the best books by

Ronald Daul. Matilda is a small girl with EXTRAORDINARY talents. Already she is three years old and starts visiting the local library. She reads all the books there is starting with the children's books. She moves on to reading adult books. Matilda's parents are very neglectful, and refuse to see any of Matilda's talents. Matilda is a fighter and finds her own very creative and funny ways to get revenge. Matilda is a funny book, showing girls to fight for their individuality. I love this book by Ronald

Daul and so does my mom. I'm only 9 years old but this book is still a perfect book to read. The chapters are long but I can't just stop after one chapter because it is such a good book. Matilda is a smart, truthful girl and always stands up for herself. Matilda is a nice, wonderful, considerate, intelligent and smart girl and much more. Ronald Daul made a good list of some of the book's Matilda read at the library. I would suggest this book to anyone who loves to read!!!!!!
