REVIEW OF BOESMAN AND LENA SCRIPT

- Relationships. Who wouldn't want to try to understand a whole lot more about the opposite sex, either through dating, marriage, divorce and yes, just plain sexual parody pictures that this funny collection is full of. I think this should be a mandatory gift to any couple tying the knot, they would maybe then try to see and learn what the other one is thinking a whole lot better. Get this book!

- This book is billed to be the next "Harry Potter" series. (A lot to live up to) - But it may actually be!!! The story is just great, with lovable characters set in brilliant locations. It is quite slow at the beginning - BUT persevere because it just gets brilliant mid way through. It's an action adventure magic story and anyone that like this genre should read it.
