REVIEW OF 2004 BMW X3 USER MANUAL

- This is a different twist on learning

animal sounds. My boys love it (3 & 5) and ask for it repeatedly. It shows animals on a farm in their habitats. The kitten is very sweet, and I have made it into a flannel board story for my kids as well.

- Some of these plays, specifically English Made Simple and Time Flies, are brilliantly interesting and witty and lend themselves perfectly to young actors or directors interested in trying something a little out of the ordinary and insightfully funny without requiring a elaborate sets, costumes or props.
