REVIEW OF THINK WITH SOCRATES PAUL HERRICK OXFORD UNIVERSITY PRESS

- This is a friendly and simple board book with a few delightful surprises. First, the young reader (or audience) may not initially realize that main characters "Jane" and "Teddy" are the dolls of the titular "Lily" and "Willy." Second, after several gentle scenes where Willy's Teddy copies whatever Lily does with "Jane" ("Jane wants to climb a tree. Teddy too."), Teddy surprises us by not copying the nap that Lily gives Jane: ("Jane wants to take a nap. Bear NO!")It's a nice indirect take on the difficulties of naptime and the individuality of toddlers. The soft colors and simply told story will be popular with very young toddlers, With only 12 thick pages and 22 different words, this board book may also appeal to the very early reader.

- Im very well into vampires, and witches, werewolves and things of that nature. I'm always looking for new and interesting stories to red, and movies to watch where they re all over scene and completely throughout the book, or movie. I really loved this book "Demon In My View". I just wish it

could have been a little longer, stretched out a little more. I wish that Jessica and Fala could have had that fight. I wish the book would have ended with perhaps Aubrey, and Jessica hunting together, and maybe being more romantic with each other, since it was clearly obvious that they were attracted to each other, and was connected on that level. I wish the book would have gone into talking about what happens to Caryn after she went home. Are her and Jessica friends now? do they talk since the incident. Seeing as Caryn is the true reason that she is indeed alive. What happens now? Jessica has been changed, Caryn has done something her mother will surely disapprove of. Will she tell her? or will her mom pick it up. Will Jessica ever talk to Caryn again? Will Jessica and Aubrey be long lasting lovers, and grow to have kids of their own one day. I think "Demon In My View" is a

great beginner book, of many sequels to come. A great foundation and the author Amelia Atwater-Rhodes should take it and run. We only know through Jessica writings all the things that happened in the past with Aubrey, siete, her mother, and the other vampires. but now we have the chance to actually follow it book by book, and watch the whole thing unrattles. This could be an extraordinary foundation, and the beginning for many many eye bolting, end of the chair, very high anticipation, and mental hunger for other books to follow using these characters. Overall without given too much of the book away hopefully. This book is amazing. Though im far from a teenager, I will be looking out for books that have Amelia Atwater-Rhodes name as the author. She is a talented writer indeed, and I hope she will be able to keep it up in the years to come. AWESOME BOOK...!!!
