## REVIEW OF LIZ AND JOHN SOARS HEADWAY PRE INTERMEDIATE STUDENT SBOOK

- Sitting through the sad film remake inspired me to seek out the original. How glad I am! Even if you enjoyed the recent film, I have good news for you-- buy this book and read it, for you will find riches beyond your dreams here. Fantastic descriptions, delicious characters, exquisite ironies, and more! Five stars are too few.

- This isn't a review so much as a warning; I never read the book once I found out that it is an abridged edition. It says so across the back of the book, but there's nothing about it on Amazon's page. I sent the book back and received a refund. If you want to read Alexandre Dumas's complete masterpiece, find yourself another edition.
