REVIEW OF FOUR CORNERS 1A RESUELTO

- OK,listen up people! My daughter Lauren bought me this book for mothers day because of its cartoonish cover. But we all know the saying "Don't judge a book by its cover!" My daughter read it before me (let me mention shes ten and very mature)and liked it but when I read

it we both agreed that it sort of overdid the sexual content, but is a good book none the less. It was funny, sad,outragious, and over all a sweet and amusing book. Mostly for adults but mature pre-teens can read it too! Wonderfulfor adults and kids who understand love and the situations in this book. And might I add that Lauren

could not put it down for five seconds even if she tried! Same thing with me!Go buy it unless your BORING...

- I found this book to be pretty good. I din't like it as much as "The Outsiders" but I liked it a lot more than "A Seperate Piece." I was really glad that I know French when I read this book.
