So, what are you waiting on? Begin your reading journey today with electronic Ib English Past Paper May 2001 publication downloads. With so many titles and styles to select from, the possibilities are endless. Satisfied analysis!

REVIEW OF IB ENGLISH PAST PAPER MAY 2001

- I once saw a list of Year 8 recommended reading materials. I am not on the whole a snob, but when I saw 'Dune' listed on this, I thought someone had made a serious mistake. I know people of eighteen years upwards who wouldn't get past the first few pages of this truly outstanding science fiction epic. Although I wasn't so impressed with the numerous sequels, (and don't even bother to watch the film unless you wan't a major distortion of the actual story), in 'Dune', Herbert has created an incredible world with its entirely different culture. I have never found a flaw with this book, and it stands alone in my humble opinion, as the greatest science fiction story ever written!

- I like the direction Frank Herbert took the Dune series in his first two sequels. This book has a bit more development than the original Dune. We get to learn more about the inner turmoil of Paul, Alia, and then meet the kids. Frank has a way of creating politically exciting twists and power struggles, without making any one character the villain. Paul and Alia in their own ways are both despots and victims. In terms of storyline, I think this brings the story to a satisfying

conclusion (I'm not so big a fan of what happens after Children of Dune (Dune Chronicles, Book 3)). Frank's writing style can be a bit dense. Sometimes the dialogue is filled with philosophical or nonsensical musings. Some of it is quite deep - but certainly not how people actually talk. It takes some getting used to. I'd recommend only continuing on to

this book if you got through the original Dune and liked it. If you liked the books, I highly recommend Frank Herbert's Children of Dune (Sci-Fi TV Miniseries) (Two-Disc DVD Set) - it's a pretty good film adaptation of Dune Messiah (Dune Chronicles) and Children of Dune (Dune Chronicles, Book 3).
