## **REVIEW OF LA CAPITAL THE BIOGRAPHY OF MEXICO CITY**

- My son loved reading this after he watched John Carter the movie. Thank you for making

this easily available for him.

- The 1959 Newbery winner and a very enjoyable book. Kit, or Katherine, raised in then-unconventional, but now more common philosophy of girls being capable and independent-thinking, must establish herself in a new place with more rigid limits for girls and thinking, in this case, a colonial Connecticut town. Like many Newbery-recognized books, this one has a child orphaned. When orphan Kit's grandfather dies in their Barbados home, Kit turns to her aunt and uncle in New England. With colonial politics becoming volatile and weather and Puritan philosophy dicatating a very different lifestyle than

she's used to, Kit's good intentions stir up nothing but controversy. Fortunately, they also create some bonds which support her through controversies. Underlying themes of prejudice, witch hunting, slave ownership and class distinction, hard work, and courtship rituals further enhance this pleasant read. A middle school girl would probably enjoy it a lot. I would recommend it to a girl at that age, a strong intermediate grade reader, and maybe even into high school. It would be a valuable read-aloud book to an intermediate grade class working on American history in social studies (fifth grade here).
