**Encyclopedie Des Sciences Religieuses. Tome 9 (1880)** Forgotten Books

Strenski argues that public discourse

about religious notions, like sacrifice, cannot be theological in our modern societies. Theological notions of sacrifice and theological approaches to it should be replaced by those like that developed by the Durkheimians because theological discourse cannot but help being religiously biased.

*Encyclopedie Des Sciences Religieuses. Tome 8 (1880)* BRILL

Excerpt from Encyclopedie des Sciences Religieuses, Vol. 1: Preface; Aaron-Azymites Nous disons sciences religieuses et non pas theologiques d'abord parce que notre entreprise s'adresse essentiellement au public, plus nombreux parmi nous de jour en jour meme en dehors des cadres ecclesiastiques, qui demande a etre initie et associe aux recherches dont les theologiens de profession avaient jadis le monopole; et, ensuite, parce que le domaine que nous embrassons est en realite beaucoup plus etendu que celui de la theologie proprement dite. Depuis

que, par une plus juste appréciation des termes, l'on commence à distinguer, même dans le langage commun, entre la religion et la théologie, cette dernière n'est plus considérée comme la seule forme que revêt le sentiment religieux, et l'on s'occupe avec un intérêt croissant à en saisir et à en étudier les manifestations partout où elles se produisent. Par une suite naturelle de cette évolution, la théologie elle-même s'est entièrement renouvelée depuis cinquante ans; s'inspirant du principe de la méthode historique, appliquée au domaine qui lui est propre, elle a pu, en utilisant largement les travaux des sciences auxiliaires et parallèles et sans rien perdre de son originalité, agrandir beaucoup son cadre. ## **REVIEW OF ENCYCLOP DIE DES SCIENCES RELIGIEUSES**

- This is one of the most uplifting books I have ever read. The stories have stayed with me and continue to inspire me day

after day. I truly appreciate what author Joan Wester Anderson has given her readers with "Where Angels Walk" - gifts of hope, kindness, and miracles. I know I will read this touching book again and again, and will share it with friends and family. Highly recommended!

- I love all Jane Austen's books, but this is my personal favorite. The way the characters interact is very humorous, but the story is touching. I feel more of a connection to Anne than to any of Austen's other characters, and I love the way she and Wentworth fall in love... again.
