REVIEW OF 1ST PUC DIAMOND ENGLISH GUIDE DOWNLOAD

- In America Reborn, British writer Martin Walker assumes the unique perspective of examining quintessentially "American" attributes through retrospectives of twenty-six individuals. For anyone with an interest in American history, this book provides clear and interesting essays that reach from the depths of American politics (FDR and an exceptionally harsh view of Nixon), American economics (Alan Greenspan), and American international intrigue (Richard Bissell and George Marshall) to the heights of American leisure activities (Duke Ellington, Katharine Hepburn, and Walt Disney). The approximately fifteen page, tidy chapters devoted to each individual fly by with interesting tidbits of historical information and clear explanation. This British writer has provided an introspective and fascinating look into America and its personality, matching up attributes to individuals that would be, in most cases, proud to claim them.

- Written by authors trying to prove a point. Once you get by their prejudice it is a good historical read of the times, which are still relevant today
