REVIEW OF THE ART OF STRATEGY A GAME THEORISTS GUIDE TO

SUCCESS IN BUSINESS AND LIFE AVINASH DIXIT

- To Mr Karl Berger, reviewer below. I found it very interesting that you have written another book on Clipperton. Can you provide me with any more details of your book eg is it non-fiction, will it cover similar ground to this book or does it have a different slant? Thank you,
- The most valuable thing in this book is a longish list of sleep hygiene tips nestled within the four week program. It includes things like replacing all the bulbs in your bedroom to those that put out a maximum of forty watts, and taking a power down hour before bed where nothing can be done but mindless chores, hygiene, and stretching. The rest of the book is filled with product plugs

and unnecessary facts. The four week program would cause even more anxiety in me about sleeping. For a truly

wonderful book on sleep, and one that will help those already on medications without lambasting them, try the *Insomnia Answer* by Paul Glovinsky.
