### **REVIEW OF MICROBLADING PROFESSIONAL TRAINING**

- Want to see what God can do with a business if you let Him? then read this book. Forget the MBA or the high powered (big 6 firm) consultant - I know because I was both of those. Reading books such as "God Owns My Business" and then realising my own experiences of seeing what God did with some of my former clients, have totally changed my outlook.

- I thought this book was great. Right from the start A gypsy tells Armand that he would have an adventure that day. That day he meet the Calcet family and his life was not the same. Even though he tried to guard his heart, the kids got through to him. It is a great book to read with your family because it offers hope and takes you though on an adventure through Paris, including Notre Dame Cathedral, and The Court of Miracles. Armand said "you should never give up hope," when the fisherman wound up the fishing pole and found the missing pair of his shoe. It it a great book for families that are homeless or having a hard time in life and for all ages.
