REVIEW OF TEXTBOOK OF RADIOLOGY FOR RESIDENTS AND TECHNICIANS 4TH EDITION

- Enjoyed this book as I have enjoyed all of the Scarpetta mysteries. Good story line, characters and follow-through. Good read!

- I thought that this book was probably one of my favorites out of the whole Night World series. I fell in love with Ash, and I loved how Mary-Lynette and Ash acted when they were together. I kept cracking up over some of the stuff that they said when they were arguing. Plus, I really think Mary-Lynette should have become a vampire!!! Oh and one more thing. I LOVE ASH!
