## **REVIEW OF KITABU CHA NYIMBO STANDARD**

### **ZA INJILI**

- This guy must be nuts. Every form for any situation from what I can see in the book is on his site and can be down loaded for free. Considering other Guru's want you to buy a plastic CD with forms on it for about \$400, this guys got to be crazy. He'll probably file bankruptcy in a couple of weeks giving all his forms away for free. I can't believe it!! I got the book Tuesday May 4th and read it by noon today Wednesday May 5, 2005. I'm going to read it again, after I read his other book that I bought with this book. Today after I finished the book around 1:30PM or 2:00PM I sent Mr. Lucier an email, a very long one. It probably took him 2 hours to read it and I got an answer back in about two hours. I'm impressed! This book is meat and potatoes. I can't wait to read the other book so I can test his email answering again! Read some of the other books if you need motivation, but get this book if you want to know what to do, how to do it, where to do it and when to do it. Besides, you won't have to pay \$2500 for an 18 month home study course. And I bet that if you do go through an eighteen month course you still won't know what to do and will still have to buy Tom's book. I bet if he wasn't an X-Marine, he'd get a lot of static for giving \$400 to \$1000 worth of forms away for free. I'm telling you this guy is going to go broke giving this stuff away.

- This book is the best book I've read bar none! Real life information, not sugar-coated material. Material you may not want to know but the real life honest to god truth. I recommend it to every beginner investor.
