We hope this short article has actually motivated you to explore Sejarah Nota Bab 1 Tutorsejarahwajib Blogspot Com, get in touch with fellow visitors, and create your own reviews. Delighted analysis!

REVIEW OF SEJARAH NOTA BAB 1 TUTORSEJARAHWAJIB BLOGSPOT COM

- At first I was tempted to describe this book as a tragedy. After all, there is little to cheer about, few if any moments of true joy in this book. But that's not the definition of tragedy. Tragedy is when a sympathetic main character meets an unfortunate end that was either unexpected or avoidable. In this book, Carson McCullers gives her readers no reason, ever, to think that her story will end happily. There is a sense of pre-destined failure in each of her five main characters. They all have hopes, dreams, and desires - some more noble than others - but none has an aura of optimism or promise. As cliché as it sounds, reading this novel is in many ways like watching an unavoidable train wreck in slow motion. To her credit, McCullers does an admirable job of maintaining the pace and rhythm of her narrative, despite the inevitable outcome. As pathetic and hopeless as each character is, they each possess a strong will and determination to follow what is in their heart. No matter that what is in their heart is often misguided - a fact that is painfully obvious to the reader. Because their hopes and dreams are real to them, they earn the readers' sympathy - or at least the readers' pity. But at the risk of sounding shallow and superficial, this is a real downer of a book. You hope against your better instinct that Singer, the loveable mute who devotes his life to a friend unworthy of his love, will find what his heart is searching for. You pray that against the odds Dr. Copeland will find a way to redirect his feelings about race relations towards positive, fruitful ends. You believe that just maybe young Mick, full of energy and ambition, will pursue her dream of becoming a classical pianist. And while you set the bar much lower for Jake, the drunken drifter, you perhaps at least hope that he will find a way to stay out of trouble. Each pursues his lonely journey in his own way. And through these journeys McCullers goes deep into the realm of personal despair, exploring her characters' pain in a way that is painful for the reader as well. In the end, you feel like you have suffered with the characters, which depending on how you look at it, makes this both a well-written book and book you may be glad to put behind you.

- I found the storyline too meandering with not enough substance. It was not a gripping page turner. The characters were oddballs and not terribly interesting oddballs at that. I'm very surprised this was one of Oprah's picks. It was definitely one of the more tedious choices from Oprah's list.
