Public Schools Spring Break Dates 2015 book evaluations. Keep in mind, reviewing evaluations can aid you make notified decisions about what to review following and can subject you to new authors and styles you may not have thought about in the past.

REVIEW OF TEXAS PUBLIC SCHOOLS SPRING BREAK DATES 2015

- When Ontario police detective Paul Manziuk meets his new partner, Jacqueline Ryan, he doesn't know what to expect. She's black minority, and he's white. She's vivacious, he's reserved. She's been recently promoted; he is a twenty-nine year homicide detective with an attitude. Lindquist's debut cozy mystery marries this unlikely duo into a fascinating, challenging partnership. Their first case begins at an upscale estate in the London suburbs where a guest's wife is found strangled. It's not the weekend party the Brodies had planned. When George Brodie, senior partner in the law firm of Brodie, Fischer, and Martin invites the firm's law partners and their wives as weekend guests, all thoughts of his wife Ellen's matchmaking with their son and potential daughter-in-law are put on hold. Ellen doesn't mind entertaining, but she prefers dinner guests, not weekend guests. To complicate matters, Bart Brodie the black sheep nephew arrives unexpectedly. Although the guests appear congenial, sharp words and dark looks often accompany initial greetings, particularly with Jillian, wife of partner, Peter Fischer. Jillian is bold, beautiful and sassy, which is part of her appeal, but underneath she's ruthless, demanding and calculating, which sets

the stage for her murder. Twelve house guests and two housekeepers are drawn into a thick web of lies, murder, and deceit where everyone lies, no one is safe, and everyone is a suspect. When a second body is discovered, the secret relationships that flow beneath the polished smiles, fashionable dress, and genteel manners begin to surface, along with a simmering hatred and potent fear as everyone wonders who will be next. *Shaded Light* provides dry humor, some romance, and lots of modern forensics as Manziuk and Ryan follow the clues and close in on the murderer. N.J. Lindquist, award-winning author, speaker and teacher writes in the style of Agatha Christie. Her debut mystery showcases her English and psychology background to reveal an intricate, finely tuned plot filled with

excellent characterizations, in-depth motivations, and complex storylines. Formerly known for her teen novels, the *Best of Friends* series, this establishes Lindquist as a mystery writer to watch. *Glitter of Diamonds*, second in the Manziuk and Ryan, is already in hardback with trade paperback scheduled in October 2007.

- The difference between a classic and a modern Pulitzer winning novel - is that a classic absorbs you, seduces you, it is easy to read - although not a light read - and only receives 5 and 4 stars from Amazon reviewers, and nothing in the range of 1 and 2 stars, like most of the current Pulitzer winners receive from many of their miffed readers.
