REVIEW OF ECONOMICS 4TH EDITION MULTIPLE CHOICE ANSWERS

- Do you want to identify the main themes of a well-known composition? Look it up here! Do you have a composition running through your mind which you can't identify? Look it up here! Did

you tune in late on a classical radio station and wish to identify the composition which is being played? Look it up here! I had to pay [\$\$'s] for this book because there were only 2 copies left. The other copy was [\$\$\$'s]. Any music book publishers reading this review, will you please, please, PLEASE do us all a favor by re-publishing this book!

- I had heard of this book all my life, but never saw it anywhere and always wondered about it. I knew the term "uncle Tom" is derogatory (or was, 30 years ago) but who knew what/who it was referring to? Finally I bought a copy and read it cover to cover in a couple days. It's an amazing tale of the time of slavery, and I half expected not to like it, but I really did. It was riveting and heart wrenching and also just a great story, if extremely disturbing. If you think, like I did, that you might not like it because it was written 150 years ago, don't worry. This is one of those books you really can't put down and makes you think about how this country was not so long ago.
