REVIEW OF AUDITING AND ASSURANCE SERVICES MESSIER 4TH EDITION

- nice, quite, delicate book; its good break after criminals, thrillers or historical novels. I spend a lovely time when i read this book
- I was very pleased with this journal. Being a first time journal keeper I don't need hundreds of pages, due to the fact that I forget quite often. I loved the covers on both the green and black. The gold outlining really made it elegant. I might even buy more of these after I've filled up the other two. Anything Book, Classic Exec Series: Black
