REVIEW OF LATEST TELUGU MOVIES 2017 NEW TELUGU FILMS RELEASES

- /most excellent adventure tale. Created a love of the entire genre of science fiction fantasy. Read and reread for years to come

- Written By: J.R.R. TolkienIt is a Faiytale Adventure.It is a story of Bilbo baggins, who is a hobbit. One day he finds himself in an adventure with dwarf. After his adventure he realizes he barely escapes with his life and adventures are funner than he thought.In a way this is very much like, The Call of the Wild by Jack London, because Buck and Bilbo were both taken from there home and force to go were they did not want to go; but Bilbo made it back to his home and Buck didn't.If you don't like reading try reading this.I very much like the style that Tolkien wrote this book in, because it keeps you wanting to see what is going to happen to Bilbo. On page 17, when Bilbo said, "Good morning". Gandalf asked him what he meant by the phrase "good morning". Tolkien makes you think about what the characters say and do. If you have never been on an adventure yourself, you should try going with a Hobbit named Bilbo. Even though Tolkien is a great writer, there are some drawbacks to his style. To you students read this over the weekend because you may not be able to put it down.
