REVIEW OF TEXAS AND TEXANS TEACHER EDITION

- Two words. Powerfully Awesome. This is one of the greatest books I have ever read. The characters are wonderfully portrayed, they really seem like real people. All the way through the book I can just picture Marnie, Raven and Father Brannan. I started reading this book last night, at around 10pm.. I finished at 2:58am. I just couldn't stop. By the time I was half way through, I started crying, and didn't stop until the very last page. I have never cried so much over a book, and the emotions this one brought up were amazing. I totally recommend it, I love Sherryl Jordan's books! And this one was just sooo awesome :)

- As a Berkshire Hathaway shareholder, I believe this is a good collection of essays by Warren Buffett. However, keep in mind that much of the essays are quite dated. While all of them are from the past, many of them are from decades ago. While still a useful read for a glee into Buffett's investing fundamentals, I believe you could learn just as much by downloading the letters to the shareholders totally free from the Berkshire Hathaway website-this is probably what Warren Buffett would do. And doing so gives you the further benefit of being able to read more recent words than what is including in this book.
