So what are you waiting on? Start your Bmw 1er Handbuch F20 downloading trip today and experience all the benefits and

comfort that the electronic globe of publications has to offer!

REVIEW OF BMW 1ER HANDBUCH F20

- A plane full of schoolkids crashes on an island. At first they get along, but as they attempt to survive, they have to access some of the most primal parts of their soul in order to hunt and stay alive. Whatever fears and beasts they're forced to unleash within themselves soon overpower and possess them, and soon kids are dying left and right, kids are fighting and killing and running and hiding. What a cool book. What a cool book! American high schoolers should consider themselves lucky to be assigned to read a book this fast-paced, this dark, this twisted, and this original. It's certainly not "Moby Dick." This book is violent and sudden (and gorgeously written) and asks many deep questions you may not be able to answer. What would you do to survive? What's your breaking point? What are you really like? It's an amazing and terrifying novel about the loss of innocence, about growing up in insane and scary world, and about the darkest parts of all of us. Read it, scare yourself, squirm in fear. Taste the suspense, feel the terror, and try to ignore the author's occasional, almost loving descriptions of the buttocks and body parts of young boys. Some British authors just seem to like to throw those in once in a while. I'm not sure why; it's weird.

- I didn't particularly enjoy Lord of the Flies, but I must admit, it was fairly interesting... Lord of the Flies is a novel about a bunch of young boys deserted on an island with no adults or the presence of society, and all the complications that go with that. The whole book is a fight between right and wrong, order and chaos, and intellect and instinct-- Golding was trying to show just how much evil people have hidden inside covered by society, or in other words, that the only reason we ALL aren't savages is because society is always telling us we shouldn't be... A very interesting thought, one that I do in a way stand behind, but the actual PLOT and STORY of Lord of the Flies disappointed me, so I don't believe you should take the time to read the entire book; just maybe the afterword written by Golding.
