REVIEW OF QUESTION PAPERS 2011

- I have been curious for awhile about some of the cultural issues intrinsic in the South and found this book. The seller was very quick and courteous and so that is what my review is. Haven't had a chance yet to do more than skim. But seller is excellent.
- I really loved the book and would like to get ahold of the video if it is available. Has anyone found a copy and if so, where can I get one?
