REVIEW OF CHAPTER 5 TEST C FOUNDATIONS IN PERSONAL FINANCE

- This workbook provided immediate results on how to deal with anger. I did not believe anger was an issue with me until I read and understood anger also comes in the form of frustration and irritability. In reading and working through this book I found that I have a choice on how I respond to situations and it's up to me to decide how I will deal with issues in my life. I am glad I purchased this book to use as a reference or to offer to my friends.

- There is nothing in the title or on the cover to indicate that this is a book whose sole intention is to convert you to Christianity. The first two pages are about anger, but by page three you are being told that Jesus loves you. Sad, that religious people feel the need to deceive others in order to get out their message.
