On the whole, our analysis of Msbte Answer Tom Me4g has given us with an abundant understanding of the story and its literary capacity. We highly advise this book to readers who are seeking a provocative and emotionally impactful read.

### **REVIEW OF MSBTE ANSWER TOM ME4G**

- If you are only going to get one Bradbury novel this should be it. There are many reviews about the plot, so I will not go into that. The story is one of the greatest ever told. Bradbury is very adamant on his views of education and reading and writing. This book proves that our ability to express feelings would be lost without writing. Get this book, but with some caution. It may seem a bit boring at first, but once you read it a few times you will grow to love it. A great work of art should not be very accessible, and this is a great work of art.

- In this book Ray Bradbury, one of my favorite authors, did not become Nostradamus. His story did not account for the internet. Therefore, many of the political ideas simply won't appeal to the internet generation, where information is only a fingertip away. On the other hand there are valid points regarding the "opiates" of life. Unfortunately, when you are young you look at it and say "look at what they are doing to us", which is what our protagonist does. As you become wiser you begin to see that the statement is really "look at what we have done to ourselves", which is what he finally discovers when he joins the band of scholars. This is an all time classic, but the reverse is happening in our society. There is too much information and no filters/censorship. So we need to be more alert for misinformation and propaganda, than we have ever needed to before. Own the book.
