Bear in mind, reading reviews can aid you make informed choices concerning what to check out next and can expose you to brand-new writers and categories you may not have actually taken into consideration before.

REVIEW OF CHAPTER 19 BACTERIA AND VIRUSES SECTION REVIEW 2 REVIEWING KEY CONCEPTS

- Slot Machines: A Pictorial History of the First 100 Yearsby Marshall Fey. Review by R. A. HoffA "must have" recommended to me by a member of the Antique Coin Machine Collectors Association. I received the sixth edition, offering even more pictures and content than the earlier editions. My copy arrived signed by the well respected authority on coin operated machines of chance and author, Marshall Fey. A very nice gesture!This large-sized hard cover book of more than 250 pages is filled with color pictures of both rare and iconic coin operated machines of chance, as well as some interesting vending machines, even a pressed penny vending machine. If your interests include antique coin operated machines from the early to mid 1900's of any kind, especially slot machines, their history and images, in my opinion, this book is indeed a must have.

- This book was very helpful for general information on Alzheimer's. I would recommend it for anyone with a loved one that has this medical problem.
