## **REVIEW OF KS1 MATHS AND ENGLISH SATS PRACTICE TEST PAPERS 2018 TESTS LETTS KS1 REVISION SUCCESS**

- The first five or six books in the series are serious reads. I find that if you focus on Norman's obvious fascination with bondage, the series lose some of their flavor. This is why some of the later books aren't as well liked. (He REALLY got into the bondage details, for chapters it seemed!) If you're uptight in the least, these books aren't for you, but if you can accept them for what they are, extremely detailed views into a totally alien world with strange cultures, you'll love them as I do. Add to this, a hero such as Tarl Cabot and BAM!

- I am a huge fan and relative of Herb's writings. He has a true gift for the written word and I have enjoyed all of his books. Herb, my prayers and thoughts are with you during these very trying times. I am thinking of you incessantly and the entire family prays for you daily. Godspeed.
