REVIEW OF CHEVROLET S10 SERVICE 1988

- This is a must have for anyone who loves baking. Maida Heatter does not disappoint. I just made her chocolate chip cookie recipe out of her cookie cookbook and everyone loved them!!!Also this book arrived very quickly and in great condition. Thank you!

- I'm currently taking a Spanish class and have found this to be a very useful tool. All the text is black and white but it is very clearly printed and the words you're looking up are in bold print. Love the size, fits well in my purse. Also has a useful grammar section in the middle including a mini conjugation guide. Also love the material that the cover is made of and actually purchased this particular dictionary because it had a "turtleback" cover instead of paperback. It's kind of like a plastic that you could easily wipe off if it gets dirty. My only complaint is that when my instructor asked me to look up a word that should have given me "shower head" it said watering can, but everyother time I've looked up a word it has been accurate and 90% of the time it does have the word I'm looking for (my level is intermediate-three years in highschool and this is the second semester long college course I have taken, the first was 10 years ago.)
