REVIEW OF SHEMBULL SI BEHET NJE VERTETIM PAGE EBOOK PDF LIBRARY

- I believe the previous reviewer has not actually seen this program. It is not two separate programs for boys and girls. The program is exactly the same for both - the difference is in the "patches" they earn. Basically the student earns iron on t-shirt patches as they complete requirements in the program. All the patches are the same for a boy or a girl

except the large central patch - the Husky was designed with a boy in mind and the pony with a girl in mind. The authors are not discriminating by sex - just trying to make the finished t-shirt more appealing to both boys and girls by providing an option!

- I listened to this one on tape. The

reader was perfect for the part. The story, however, left me high and dry. I felt like I'd fallen asleep and missed the part where he avenges his wife. Maybe I did. This was a depressing story for the most part but done by a talented writer. Too bad it seemed to stop instead of end. Loose ends left blowing in the wind all over the place.
