REVIEW OF ESSENTIALS OF MARKETING RESEARCH 2ND EDITION TEST BANK

- This format is different than the other titles I have read by this author, but still well done. I don't understand why history is not taught this way in every school, it makes people's lives so full and fascinating. Memorable, even! Our homeschool is now basing our entire history curriculum around Genevieve Foster's biographies.
- While not extensively informative, this book offers a good, quick outline for effective prayer. I recommend this book to new Christians who wish to understand the purpose and process of prayer, as well as to any Christian who finds difficulties in establishing prayer routines.
