### **REVIEW OF ISBN 978 92 871 7703 2 EDQM**

- A classic for all to read young and old.

Now I will have to see the movie. Let's hope it's as good.

- The book is simply awesome. Very detailed. not for the beginner reader. It might get heavier at times with the detailed descriptions, but you will find yourself singing along the songs the dwarfs sing in your mind. very entertaining.
