REVIEW OF NISSAN CWB 45 ALDN PPT

- This is a fun fast paced story that all should enjoy. Loved his first book, Pool Boy, and looking forward to Simon's next.

- This book said alot of how my life is or how I believe life really is. I look for books like this one all the time. I read constantly and I love to find books that include (what I believe) the extras that most people don't know exist.
