- I would recommend any book written by Don Miguel Ruiz. The perfect way to understand our lives and why they are, the way they are. Then the book goes on to help you understand what is truth and what is just a belief. This is a great first book to read and then read "The Fifth Agreement" Book by Don Miguel Ruiz and his son Jose. Enjoy
- Read this years ago and found it on amazon. So happy to have this on my kindle. One book you sort of never forget.
