REVIEW OF ENGINE MANAGEMENT BOOK

- This is an amazing book that was written by a 15-year-old kid! i wish i could write that well. ha ha. anyways, this is probably the best fantasy book i've ever read. it's about a boy named Eragon who's only family is killed by evil beings and Eragon, along with his pet dragon, Saphira, and the town story teller Bram set off to find them. But along the way, there are lots of roadblocks in thier way, which ends up helping them in the end. I can't wait for the sequel to come out!

- A girlfriend told me I had to read Eragon. So I got the book.Eragon is my sleep's nemesis. I have seen more sunrises because of Christopher Paolini than because of all the alarm clocks I've ever owned. I've read Eragon three times back to back.Somebody help me! I can't stop reading Eragon. I'm living in Alagasia.When's Eldest coming out? Movie?Gina Pozzi
