## **REVIEW OF OF THEE I SING A LETTER TO MY DAUGHTERS**

- I must admit it took me a minute to remember this book, as I

have read it several years ago. That gives me an advantage on judging the impact of this book. At the time I had given it 2.5 stars but now it will definitely be 2 stars. This review is hard to write as I don't like criticizing books. People put their heart and soul in it and it may work for a lot of people. However, I'm not one of them. At the time of reading I had no management experience at all, so it should have felt like a quick and easy way to learn something. I found other books a much better help, though. If you want a quick read and spend 4 dollars an hour on this book go ahead. I'd just rather spend more time and money on another one.

- its a very good book about sufiism one thing i like in it the most that it says that you can not do bad deeds with your hands because the name of allah i.e his 99 names have been printed on your hands look on your hands for few minutes and you will see that there is 81 written in urdu on your left hand and 18 written on your right i want to red this book all again but i can not find it any where i want to purchase it but dont have any credit card facility what should i do if any one can do me this favour please i will be obliged thank you bye
