REVIEW OF AMERICAN HISTORY SECTION 2 QUIZ ANSWERS

- This is one of the best true crime books that I have ever read. I liked it even better than Fatal Vision (McGuinness as well). McGuinness makes the characters come alive for the reader. It makes you want to go a meet and speak with them all personally. The story is sad and will break your heart, and mcguinness definitely does not try to diminish these feelings. There is no warm fuzzy ending, just the hope that Bonnie Von Stein's life is getting better.
- If you have read Mondo 2000 before, then nothing in this book will be much of a surprise. In fact in 1998 this book is clearly retro. Still, to the new reader you will find much of the information interesting. The format is basically an A-Z of popular memes and cultural phenomena with a pseudo hypertext interface.High gloss and flashy. Suitable for a coffee table, but you might want to keep it on your reference shelf.
