Join our community today and begin your journey into the world of literary works with simple downloads of all your favored publications like **Boek Kopen**!

REVIEW OF BOEK KOPEN

- At first, the thought of reading letters from nearly a hundred years ago held very little interest for me but from the second page I was hooked. Just over four hours later I was done reading, and was equipped with a whole new view of not only life in the early 20th century but of the impact woman had on it. Worth reading by both woman and man alike.

- I expected the story of Jesus through the eyes of Malchus but what I received was the story of Malchus through the eyes of Malchus. Jesus did play a part and was the power behind the story but what we have here is a story of a cynical slave who ends up being in the right place at the right time (although he doesn't think so at the time). Although this is a historical novel the reader is not bogged down with facts and figures but is led through a believable journey set during the most amazing events

in world history. Malchus is believable and likable, written in a way that is easy and enjoyable to read. We feel what he experiences and come to know him as a friend. This is my first W.G. Griffith book and will not be my last. His writing style is easy to read but not immature. Griffith pens a story that clearly shows the power of the cross and the resurrection of the Lord Jesus Christ. I like that fact that he shows a sharp line between religion and truth. He also did not shy away from the corruption of the Jewish religious leaders of the time even though there are those today who take issue with it. If you are looking for a really good

historical novel that reads like a story that could take place today then get yourself this book. I think you'll be pleasantly surprised. 1 Star = Pathetic 2 Stars = Fair 3 Stars = Good 4 Stars = Excellent 5 Stars = Life changing For those who give me a negative vote on my review please comment and let me know why. I'd like to improve my reviews so they can be helpful to those who read them. Please understand I choose not to give a synopsis of the book because it's already given at the top of the home page. I find in doing so too many reviewers give away too much of the plot. Thank you.
