### REVIEW OF SERVICE OF IMAGESETTER KATANA 5055

- This book was good enough that even though I had much homework to do, I continued to read it on Sunday up until 3:30 AM when I finished, then I read some of the Appendices. So I had to skip school today, Monday, in order to do my homework. I can't wait to read the rest of the books in this series!
- Seriously, this is so well read, I would pay 20 bucks just to go to a theatre and listen to it on speakers if it were the only way I could have access to this recording. Thankfully, I don't have to. Just buy it. No possible chance of regret here. No way.
