## REVIEW OF ESSAY IN HINDI SWACHH BHARAT ABHIYAN

- The book was rated as 'good' quality in the advertisement, but when it arrived the cover immediately fell off.
- My life-long love of science fiction began with this book. I found it on the bookshelf of my third grade classroom - in the "boy's" section. My teacher felt something sweet from the girl's section might have been a better choice! I stubbornly picked up this book and with it, the love of reading. Thanks, RAH, for introducing a child to adventure!
