## REVIEW OF MATHS QUESTION PAPER 1 2013 GRADE 11

- About: They were rich, the caribou were abundant. Their dogs were many and strong. The children in the tents were happy and there was never any fear of going hungry. Then came the ruthless white man's civilization. And with it came slaughter of the herds, starvation of the flesh, and torture of the spirit. Courageous, proud in their age old way of life and now fighting to save themselves from extinction.
