## **REVIEW OF HERZOG SAUL BELLOW**

- After reading this book I felt inspired to take a chemistry class. Now that I have taken one I have decided to pursue a career in pharmaceuticals. After reading this book I was awakened to another world.
- I thought this book taught me a lot about life, love, and the everyday challenges.

This book also taught me about the good and or bad choices any person on any given day make. All in all I liked this book, although I thought at times that Olsen was being selfish and stubborn with the choices he made. The ending was the most surprising because it is not really what I expected to happen, but it was still a good book and I enjoyed reading it.
