REVIEW OF INFERNO BY DAN BROWN 101BOOKFACTS COM THESHAVEORE

- I think this is a great book for kids at age 10 to 13 or 14. I really like this book because it is very interesting and magical. I think that it is much better than the movie or DVD because it has some different information than the movie. I don't understand why they change some parts from the book into the movie. Well any ways Matilda is a very great, interesting, and magical book.
