Remember, reviewing evaluations can aid you make educated choices concerning what to review following and can subject you to brand-new writers and styles you may not have taken into consideration previously.

REVIEW OF TWO BADGES THE LIVES OF MONA RUIZ

- Authors often have difficulty with the middle volumes of trilogies: the beginning may be too concerned with bringing the

reader up to speed, the end may be unsatisfying because the story is not complete, or the whole volume may be simply a setup for the final installment. Not so with "The Two Towers," the second book in J.R.R. Tolkien's masterful "Lord of the Rings" trilogy. This book contains some of the most powerful (Gandalf's confrontation with Saruman, Frodo's meeting with Faramir), most humorous (the reunion of the travellers in Isengard), most vividly descriptive (the landscape of Ithilien), and most deeply moving (Gollum finding Frodo and Sam asleep, the story of the Entwives, the choices of Samwise) writing in the entire trilogy. Tolkien also introduces the reader to two completely new and richly detailed societies: the Ents and the Rohirrim. The storyline has been neatly divided in two, and one of these sections further divides in two. Tolkien handles his diverging plots skillfully and with great suspense. I firmly believe that "The Lord of the Rings" is the greatest work of literature ever written, and a case can be made for "The Two Towers" being the best book of the trilogy.

- the first book was just good enough for me to try the second, but the second, this one, blew me away. JRR Tolkien made this book much more interesting by cutting down on the explaining of the setting and a lot more about the plot. I also like the addition of the Ents, they are just fun characters that make you think a lot more, like how would a living tree look, and does it have a tongue? Overall, my favorite new character was King Theodin, how he is a ruler with many flaws, but he is still ruler, and you can't take that away. This book is a 10 out of 10 all the way, best book I ever read, and great for anyone who loves fantasy, action, blood, gore, and books that make you think.
