REVIEW OF FANTASTIC ART OF FRANK FRAZETTA V

- Gripping, can't put the book down, detailed, exciting. I like how the book keeps adding new adventures, and held my interest to the very end. A great page turner.
- Every night before you close your eyes you reflect on all the abundance in your day. Doing this makes you so much more aware of all you have, and as the Author says "All you have is all you need." I have been keeping a gratitude journal for well over a year now and it has had such a centering effect on my life. I recommend this whole heartedly.
